SOCIAL STUDIES SCHEME OF WORK GRADE 4 TERM ONE

Wee k	Less on	Strand/Theme	Sub Strand	Specific learning outcomes	Key inquiry Questions	Learning experiences	Learning Resources	Assessment Methods	Reflec tion
1	1	Natural And Built Environments	Natural Environment : Compass Direction	By the end of the sub strand, the learner should be able to: a) identify the four cardinal points of a compass b) use the four cardinal points to give direction of places	How could we tell direction of places? How could we give direction of places using a compass?	Learners are guided to: Brainstorm in pairs the four cardinal points. Practice in pairs giving direction of places using the four cardinal points.	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
	2		Natural Environment : Compass Direction	By the end of the sub strand, the learner should be able to: a) identify the four cardinal points of a compass b) use the four cardinal points to give direction of places	How could we tell direction of places? How could we give direction of places using a compass?	Draw and label the four cardinal points Think, pair and share the eight compass points	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
	3		Natural Environment : Compass Direction	c) identify the eight compass points d) use the eight compass points to show direction on a map	How could we tell direction of places? How could we give direction of places using a compass?	Practice giving direction using the eight compass points Play computer games on compass direction for enjoyment	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
2	1		Natural Environment : Compass Direction	c) identify the eight compass points d) use the eight compass points to show direction on a map	How could we tell direction of places? How could we give direction of places using a compass?	Draw and label the eight compass points Use the eight compass points to show direction on the worksheet/interactive map to enrich the mapping skill	Local and extended environment, mas, realia, photographs, artefacts,	Oral questions, Teacher made test, observatio n, project

3	1	Location And				Local and	Oral	
		Size Of	By the end of the sub strand, the		WE SHOW A STREET CONTRACT OF THE STREET	extended	questions,	
		County	learner should be able to:		Learners are guided to: Brainstorm in groups and identify	environment,	Teacher	
				Which counties neighbour	sub-counties in their County.	mas, realia,	made test,	
			 a) identify sub counties in the 	our county?	Use relevant map in print or online	photographs,	observatio	
			county	our county.	to identify the location of the	artefacts,	n, project	
			 b) locate the county in relation to neighbouring counties 		County in relation to neighbouring counties	newspapers,	work,	
			neighbouring counties			approved	checklist,	
						textbooks	portfolio	
	2	Location And				Local and	Oral	
		Size Of	By the end of the sub strand, the		Bet Special Control of the Control o	extended	questions,	
		County	learner should be able to:		Learners are guided to:	environment,	Teacher	
			A MARTINE CONTINUE CONTINUE AND A CASE OF CONTINUE CO	Which counties neighbour	Brainstorm in groups and identify sub-counties in their County. Use relevant map in print or online	mas, realia,	made test,	
			 a) identify sub counties in the 	our county?		photographs,	observatio	
			county	our county:	to identify the location of the	artefacts,	n, project	
			b) locate the county in relation to		County in relation to neighbouring counties	newspapers,	work,	
			neighbouring counties			approved	checklist,	
						textbooks	portfolio	

	3	Location And Size Of County	Which cou	unties neighbour	arners are guided to: Brainstorm in groups and identify sub-counties in their County. Use relevant map in print or online to identify the location of the County in relation to neighbouring counties	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
4	1	the couneighb	ate location and size of which county in relation to our county ouring counties	21 212	Trace out, colour and display the map of the County in class.	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
	2	the cou	ate location and size of which county in relation to our county ouring counties	inties neignbour	Play a game on location of the county in relation to the neighbouring counties.	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
	3	Physical Features In The County	physics is our 2. How in	are the main al features found County? mportant are the al features in ou y?	amers are guided to; Explore the school neighbourhood to identify and record(drawing, taking photographs) the main physical features in the county(Vegetation, mountains, hills, rivers, lakes, oceans, valleys and plains)	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	

5	1	Physical Features In The County	By the end of the sub strand, the learner should be able to: a) identify the main physical	What are the main physical features found in our County? How important are the physical features in ou County?	Learners are guided to: • Explore the school neighbourhood to identify and record/drawing, taking photographs) the main physical features in the county(Vegetation, mountains, hills, rivers, lakes, oceans, valleys and plains)	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
	2	Physical Features In The County	features in the County b) examine the importance of the main physical features in the County c) adopt responsible behaviour to conserve the physical features	What are the main physical features found in our County? How important are the physical features in our County?	Learners are guided to: • Explore the school neighbourhood to identify and record(drawing, taking photographs) the main physical features in the county(Vegetation, mountains, hills, rivers, lakes, oceans, valleys and plains)	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
	3	Physical Features In The County	By the end of the sub strand, the learner should be able to: a) identify the main physical features in the County	What are the main physical features found in our County? How important are the physical features in our County?	Discuss in groups the importance of the main physical features in the county and share the discussion points in class Model some of the main physical features in the county	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
6	1	Physical Features In The County	b) examine the importance of the main physical features in the County c) adopt responsible behaviour to conserve the physical features	What are the main physical features found in our County? How important are the physical features in ou County?	Display pictures or models of the main physical features in the county in class Find out from parents or guardians how to conserve the main physical features in the county and report.	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	

2	Seasons In The County	By the end of the sub strand, the	Which seasons are experienced in our County? How do different seasons influence human activities in our county?	Learners are guided to: Use appropriate media and bruinstorm in groups about seasons experienced in the County. (Hot., cold, dry and rainy season) Sing songs about seasons experienced in the County	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
3	Seasons In The County	learner should be able to: a) recognize seasons experienced in the county b) explain how seasons influence human activities in the county c) appreciate the different seasons experienced in the county	Which seasons are experienced in our County? How do different seasons influence human activities in our county?	Learners are guided to: Use appropriate media and brainstorm in groups about seasons experienced in the County. (Hot could, dry and rainy season) Sing songs about seasons experienced in the County	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
7 1	Seasons In The County		Which seasons are experienced in our County? How do different seasons influence human activities in our county?	Learners are guided to: Use appropriate media and bruinstorm in groups about seasons experienced in the County. (Hot , cold, dry and rainy season) Sing songs about seasons experienced in the County	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
2	Seasons In The County		Which seasons are experienced in our County? How do different seasons influence human activities in our county?	e Characa and annual lumana estatis persolate alle du para usua e Com lulumatema caraca in elian.	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	

	3	Built Environment s: Historic Built Environments In The County	By the end of the sub strand, the learner should be able to: a) identify the main historic built environments in the County	Which are the main historic built environments in our County? How could we care for the main historic built environments in our County?	Learners are guided to: Think, pair and share the main historic built environments in the County (Museums, manuments, Cultural centres). Use appropriate media to identify historic built environments in the county	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
8	1	Built Environment s: Historic Built Environments In The County	b) state the importance of the main historic built environments in the County c) state ways of caring for historic built environments in the County	Which are the main historic built environments in our County? How could we care for the main historic built environments in our County?	Visit some of the historic built environments and record/take photographs, audio tape conversations on the environments or take notes) Create a picture booklet on the historic built environments	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
	2	Built Environment s: Historic Built Environments In The County	b) state the importance of the main historic built environments in the County c) state ways of caring for historic built environments in the County	Which are the main historic built environments in our County? How could we care for the main historic built environments in our County?	Discuss with parents or guardians on the historic built environments in the county. Participate in caring for historic built environments within the locality as service learning.	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
	3	Built Environment s: Historic Built Environments In The County	d) Participate in caring for the historic built environments in the county.	Which are the main historic built environments in our County? How could we care for the main historic built environments in our County?	Discuss with parents or guardians on the historic built environments in the county. Participate in caring for historic built environments within the locality as service learning.	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	

9	1		Built Environment s: Historic Built Environments In The County	d) Participate in caring for the historic built environments in the county.	Which are the main historic built environments in our County? How could we care for the main historic built environments in our County?	Develop a communication message on the importance of caring for historic built environments.	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio
	2	People And Population	Inter- Dependence Of People	By the end of the sub strand, the	How do people in the County depend on each other? Why should we support each other in the County?	Learners are guided to: Use key words to search for the meaning of interdependence Use appropriate media to identify ways in which people depend on each other in the county.	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio
	3		Inter- Dependence Of People	a) identify ways in which people depend on each other in the County b) investigate the benefits of inter-dependence of people in the County c) appreciate interdependence of	How do people in the County depend on each other? Why should we support each other in the County?	Learners are guided to: Use key words to search for the meaning of interdependence Use appropriate media to identify ways in which people depend on each other in the county.	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio
10	1		Inter- Dependence Of People	people in the County	How do people in the County depend on each other? Why should we support each other in the County?	Work in groups to create a chart on benefits of interdependence among people Role-play inter-dependence of people.	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio
	2		Inter- Dependence Of People		How do people in the County depend on each other? Why should we support each other in the County?	Work in groups to create a chart on benefits of interdependence among people Role-play inter-dependence of people.	Local and extended environment, mas, realia, photographs,	Oral questions, Teacher made test, observatio

	3	Inter- Dependence Of People	By the end of the sub strand, the learner should be able to: a) identify ways in which people depend on each other in the County b) investigate the benefits of	How do people in the County depend on each other? Why should we support each other in the County?	Recite a poem about the importance of inter-dependence of people Find out from parents and guardians about the importance of inter-dependence of people and report back.	artefacts, newspapers, approved textbooks Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved	n, project work, checklist, portfolio Oral questions, Teacher made test, observatio n, project work, checklist,	
11	1	Inter- Dependence Of People	inter-dependence of people in the County e) appreciate interdependence of people in the County	How do people in the County depend on each other? Why should we support each other in the County?	Recite a poem about the importance of inter-dependence of people Find out from parents and guardians about the importance of inter-dependence of people and report back.	textbooks Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	portfolio Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
	2	Population Distribution	By the end of the sub strand, the learner should be able to: a) describe population distribution in the County b) recognize common patterns of population distribution in the county	How is the population spread out in our county?	learners are guided to: Use key words to find out the meaning of population distribution (sparsely, uneven, densely. Draw a map of the county showing population distribution	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	
	3	Population Distribution	By the end of the sub strand, the learner should be able to: a) describe population distribution in the County b) recognize common patterns of population distribution in the county	How is the population spread out in our county?	learners are guided to: Use key words to find out the meaning of population distribution (sparsely, uneven, densely. Draw a map of the county showing population distribution	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio	

12	1	Population Distribution	 c) describe patterns of population distribution in the county d) appreciate population distribution in the county 	How is the population spread out in our county?	Use a digital map of the County to identify the patterns of population distribution in the county (linear, scattered, clustered) Share the identified patterns of population distribution with the class	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio
	2	Population Distribution	c) describe patterns of population distribution in the county d) appreciate population distribution in the county	How is the population spread out in our county?	Use a digital map of the County to identify the patterns of population distribution in the county (linear, scattered, clustered) Share the identified patterns of population distribution with the class	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio
	3	Population Distribution	c) describe patterns of population distribution in the county d) appreciate population distribution in the county	How is the population spread out in our county?	 Use the map of the county to plot patterns of population distribution Display the map in the appropriate learning corner 	Local and extended environment, mas, realia, photographs, artefacts, newspapers, approved textbooks	Oral questions, Teacher made test, observatio n, project work, checklist, portfolio
13- 14			END OF TE	RM ASSESSMENT A	AND CLOSING
